Strategic Importance

In the summer of 2000, a group of Kingdom-oriented believers from the Metroplex realized the value of gathering together on a regular basis to discuss what God is doing around the world. Our vision is to be a unified group of believers, passionate about the Great Commission, who seek ways to work together to glorify Him by reaching the nations. Since the DFW Metroplex is home to many missions-oriented churches, several missions agencies and a number of excellent educational institutions, we recognize the strategic importance for the missions community to come together and see how God might guide our efforts more effectively.

Who May Join DFW Mission Mobilizers?

All Christian mission-minded leaders or lay persons involved in cross-cultural ministry are encouraged and welcome to attend the monthly luncheon and join the Mobilizers.

Our Values

Networking

We value the relationships formed by coming together and interacting with each other. We often see that God uses our time together to develop long-term relationships that He uses for the glory of His kingdom.

Praying

We value the power of prayer in the advancement of God's kingdom and we spend time in prayer for each other and for the gospel to go forward around the world.

Informing

We value informing each other about what God is doing in the Metroplex and around the world.

We accomplish this through:

- guest speakers
- announcements/news at the monthly luncheon
- E-mail forum
- www.dfwmissionmobilizers.org

Encouraging

We value our fellowship, monthly speakers and prayer time as an effective means of encouraging one another in our kingdom endeavors.

Cooperating

We value working together as God allows us to recognize common ministries and strategies. We promote Perspectives and other events in the Metroplex as well as partnering together in missions projects.
